### CONVINCING

### PROOF

That Lydia E. Pinkham's Vegetable Compound Has Extraordinary Curative Power in Cases of Women's Ailments

Columbus, O.—"I suffered very much pain during my monthly periods and felt weak and all run down. I tried many remedies and the doctor said I would have to have an operation. Then I took Lydia E. Pinkham's Vegetable Compound and it helped me wonderfully. I have had two children since I began taking your medicine and did all of my own work including washing while carrying them. I can also recommend Lydia E. Pinkham's Sanative Wash. You may use this latter as a testimonial if you wish."

—Mrs. Thomas L. Christy, 704 West Mound St., Columbus, Ohio.

Such a condition as Mrs. Christy was in points directly to a deranged condition of a woman's system, and by following her example taking Lydia E. Pinkham's Vegetable Compound, women may be relieved from such ailments and be restored to normal health and strength just as she was.

If there is anything about your condition you do not understand write Lydia E. Pinkham Medicine Co., Lynn, Mass., in regard to your health.

## DOMESTIC TROUBLES CAUSE FOR KILLING

Sensational Murder Case Ends When Principal Is Acquitted in Preliminary Hearing.

(By The Associated Press)

ROANOKE, Va., Aug. 29.—J. M. Walden, who was charged with murder in connection with the slaying of J. H. Rutledge in the Walden home at an early hour Sunday morning, was acquitted this morning following a hearing before Judge Beverley Berkeley in police court. A. N. Fisher, who was charged with maliciously shooting J. H. Rutledge, was also acquitted by the court.

Mrs. J. M. Walden, Mrs. A. N. Fisher and Whitlock were each fined \$500 on statutory charges.

The stories unfolded by Walden and Fisher to the court revealed one of the most sensational dual domestic tragedies in the annals of the local police department. The two men said they had employed private detectives to watch the Walden home and based their actions on the detectives' report. On Saturday night Walden and Fisher told their wives that they were leaving the city and would not return until Monday. According to their statement they left a train at Salem and came back to Roanoke by a street car and proceeded at once to the Walden home where the shooting took place.

Rutledge was shot and instantly killed by Walden in a bedroom on the upper floor and Whitlock was wounded in the foot by a gun in the hands of Fisher. Fisher was told by the court that it was regrettable he had not shot Whitlock through the head instead of the foot.

The two women, both neatly dressed, stood in silence while they listened to the witnesses testify. Asked if they had any statement to make, they shook their heads negatively.

Whitlock who is said to be married, had to be carried into the court room. He had no statement to make. Whitlock is 34 years of age. Mrs. Walden is thirty-two and Mrs. Fisher is twenty-nine.

J. H. Rutledge, the dead man, was twenty-four years old, and single.

## AUSTRIANS FIGHT OVER LAND AWARDS

Hungarians Resist Austrians' Efforts to Occupy Bureglund, Hungarian Territory.

(By The Associated Press)

VIENNA, Aug. 29.—The Austrians have met with resistance from the Hungarians in the occupation of Bureglund, the little strip of West Hungary awarded Austria by the

peace treaty, according to reports reaching here.

Late Sunday night Lieutenant Hejjas, one of the recalcitrant leaders in West Hungary, appeared heading a large detachment of his irregular forces, seized the railway station at Odenburg and filled the streets with uniformed men armed with pistols.

One detachment of 170 men advanced to Pinkafeld where they met with hand grenades and machine guns the Austrians who were coming in to take over the territory.

It is reported that Hejjas and other Hungarian officers were in full uniform when the attack was made. There are conflicting reports concerning the casualties, but it is not believed they were great.

HERE IS MORE ABOUT EFFORTS STARTS ON PAGE ONE

and we are in possession of the names of the leaders who come from Illinois, Kentucky and Ohio. This element has threatened the lives of officers of the United Mine Workers of this district who have asked them to desist.

Adjutant-General Charnock has just returned from the vicinity of Sharps where he commanded the insurgents to disperse, but they have refused and are maintaining many armed parols on the roads and have seized passenger trains on the Chesapeake and Ohio railroad to transport reinforcements to their camps. They have cut telephone wires and refused to allow their replacement and they continue to defy constituted authorities.

"Large forces are again leaving Cabin Creek district tonight for the Logan border and have destroyed all communications on that creek."

"The men now assembled in Logan from McDowell, Mingo and Logan counties, to resist the invasion will be utterly unable to repel the attack."

"Because of the imminent danger of great loss of life if there is a clash between the Logan officers and citizens and the armed insurgents and believing it is my duty to seek protection for the lives and property of our citizens, I most respectfully renew my request for federal troops to be sent forth to West Virginia for the purpose of quelling the insurrection and disarming those engaged in it. Delay, in my opinion, will prove most disastrous."

owned munitions of war, including huge stores of ammunition, rifles, side-arms, machine guns, mobile field pieces and armored cars.

"Governor Morgan can disarm and disband this private army of thugs if he will and if he is really sincere in the desire to avoid civil war in West Virginia he will do this."

"Governor Morgan has publicly admitted that the employment of an army of detectives in the coal fields is reprehensible and indefensible. Having such convictions, his obvious duty is to drive them out."

## NEW QUICK WAY TO PUT ON FIRM FLESH

Thousands of weak, thin, pale and sickly people are now quickly putting on solid flesh and regaining rugged health and strength in an entirely new way.

This way is by taking vitamins into their systems. Vitamins are a mysterious living substance, found to be absolutely necessary for perfect daily health. But most of our foods are lacking in them—that is why so many of us become thin and run-down.

Yeast has been found to contain billions of vitamins and is bringing incredible results in putting good flesh and muscle on thin people. No need to eat yeast cakes—simply take Ironized Yeast tablets, containing iron and highly concentrated brewer's yeast, the most efficient form of yeast. Pleasant to take—brings quick results.

Sold and highly recommended by the Crystal Pharmacy and druggists everywhere. Special directions for children.—Adv.

## LITTLE MARIE WOODS' CONDITION IMPROVED

Word from the Pensacola Hospital last night as to the condition of little 3-year-old Marie Woods, who was injured Sunday afternoon by an automobile driven by Joe Howes, stated that no injury was sustained by the little girl, other than a broken leg, and that she was resting extremely well today. Her condition is not serious, it was said.

## OPEN SHOPPERS HELP TO UNIONS

ATLANTIC CITY, N. J., Aug. 29.—The open shop campaign and the "aggressive hostility of unfair employers" has strengthened rather than weakened the solidarity of the organized labor movement. It was declared in a statement tonight by the executive council of the American Federation of Labor. The council based its decision, the statement said, upon reports submitted by affiliated national and international unions, and other information collected throughout the country.

Analysis of the reports, the statement said, showed that a reduction in payment of dues by the federation's membership was due principally to the wave of unemployment throughout the country. Secretary Frank Morrison took occasion to deny reports published today that the federation has suffered a slump of 750,000 members during the present industrial crisis. Morrison referred to figures announced at the Denver convention, which showed a decrease of 172,212 members during the past year, but declined to give any figures on the present membership.

## DODSON SOUNDS CALOMEL'S DOOM

The "Liver Tone" Man Warns Folks Against the Sickening, Salivating Calomel.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you lose a day.

Calomel is mercury! When it comes into contact with sour bile, it crashes into it, breaking it up. Then is when you feel that awful nausea and cramping. If you are sluggish, if liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous, go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it can not salivate or make you sick.—advertisement.

## ONE OF PRINCIPALS TESTIFIES IN CASE

One of Participants in Killing Testifies in Aftermath of Carousal.

GREENVILLE, S. C., Aug. 29.—Testimony of Monk Young, who was shot by Tom Harrison at the same time the latter shot and fatally wounded his wife, Gertrude Harrison, was a feature of the trial this afternoon of Tom Harrison which opened in the court of sessions here this morning. Young's version of the affair came out for the first time today, since he was in the hospital when the coroner's inquest was held.

Young declared that he, Tom Harrison, Mrs. Harrison, Paul Traynham and Mrs. Young had been enjoying the evening in the sitting room of the Harrison home, on the first floor, and that all had been drinking gin. About midnight he went up stairs to the bathroom to wash his face, preparatory to going home, he said. The two women had left the room some ten or fifteen minutes previous. Finding the bathroom occupied, he went into Harrison's bedroom, the door to which was open and which was lighted up, situated just across the hall. In a few minutes Mrs. Harrison came out of the bathroom, telling him his wife was sick in the bathroom. About two minutes after, he said, while he and Mrs. Harrison were there talking, Tom Harrison came to the door and commenced firing. The first shot didn't hit him, he said, and Mrs. Harrison fell. He said he had his back to the door, and the

first he knew of Harrison's presence was when he commenced shooting. He said Mrs. Harrison was not in the line of fire. He and Harrison scuffled over the gun, he said, and the struggle carried them out in the hall, when Young was shot through the abdomen, he said, and remembered nothing more. He denied that he had made any untoward remarks to Mrs. Harrison or had laid hands upon her.

Mrs. Monk Young was also a witness this afternoon. She testified as to events in the early part of the evening, saying all were in a good humor, but said she got sick and went to the bathroom before the shooting and became unconscious and remembered nothing more.

Several policemen who arrived on the scene shortly after the shooting testified this morning and this afternoon. One of them, J. A. Braun, testified that Harrison said he had resented an insult in shooting Young and that he had shot Mrs. Harrison by accident in the struggle with Young. The state rested its case this afternoon. The defense stated tonight that Harrison will take the stand in his own defense tomorrow. According to his affidavit at the time of being released on bail, he claims that he found Young struggling with his wife and that Young turned on him.

## YOUTHFUL WONDERS IN SPORT FIELDS

Have Been Developed in Every Section of the Country During the Year.

NEW YORK, Aug. 29.—Many youthful wonders, representing every section of the country have been developed this year in American fields of sport.

The names of Alexa Stirling and Robert T. ("Bobby") Jones, the golf marvels of Atlanta, and Vincent Richards, the New York tennis star, have been on the lips of sport lovers for several seasons.

To this select group there has been added this year:

Miss Helen Wills, 15 years old, of Berkeley, Cal., winner of the national girls' singles tennis championship.

Julius Saglowsky, 15 years old of Indianapolis, winner of the national boys' singles tennis championship.

Elmer Herold, 18 years old, of Ash-kum, Ill., winner of the American junior championship for marksmen with a score of 48 hits in 50.

Dorothy Smith, 18 years old of Cotuit, Mass., winner of the women's national archery championship.

Miss Miriam Burns, 17 years old, of Kansas City, whose sensational play in the Western women's golf tournament carried her into the third round. She was defeated by a veteran in a brilliant match.
